

# Deborah

Judges 4:1-16

Deborah was a powerful and heroic leader who was called by God. She served as a judge, settling disputes among the people while sitting under a palm tree. When the Israelites were threatened, Deborah convinced the reluctant Barak to face the opposition. By bravely facing this battle, Deborah helped to defeat the army that had been oppressing the Hebrew people.

## Take a Look

Here are some of the people and things in today's story. What can your child tell you about them?

**Deborah** was a heroic leader who was called by God to lead the Israelites during the time before King David united the 12 tribes.

**Barak** was a military leader who refused to go to war unless Deborah came with him.

**Sisera's army** had 900 iron chariots—more resources than the Israelite army.

## About the Video

The Holy Moly video shows how Deborah was a strong and faithful leader called by God. She served as a judge for people who had arguments. Barak was an Israelite military leader who refused to go to war unless Deborah went too. Although the Israelite army had fewer resources than Sisera's forces, the Israelite army prevailed!

- Why do you think Barak was afraid? How did Deborah help him?
- What happened to the soldiers as they entered into battle?
- Why was Deborah such a heroic leader?
